

**CELLULOSE FIBRES
CONFERENCE** —————
2025 12-13 March
Cologne (Germany)

Award Sponsor

Organiser

Winners of the Innovation Award “Cellulose Fibre Innovation of the Year 2021”

- 1 Stora Enso (SE)**
Cellulose Foam by Stora Enso
– a lightweight cellulose foam
for packaging
- 2 Kelheim Fibres (DE)**
Plastic-free absorbent hygiene products
- 3 Metsä Spring (FI)**
Textile fibre based on paper-grade pulp

Cellulose Fibre Innovation of the Year 2023

Winners of the Innovation Award

cellulose-fibres.eu

Nullarbor™ – From the Latin “Nulla Arbor”, Meaning “No Trees”

Nanollose & Birla Cellulose (AU/IN)

Circulose® – Makes Fashion Circular

Renewcell (SE)

Vybrana – The New Generation Banana Fibre

Gencrest Bio Products (IN)

Award Sponsor

Organiser

Cellulose Fibre Innovation of the Year 2024

Winners of the Innovation Award

cellulose-fibres.eu

**The Straw Flexi-Dress:
Design Meets Sustainability**
DITF & VRETENA (DE)

**HONEXT® Board FR-B
(B-s1, d0) – Flame-retardant
Board Made from Upcycled
Fibre Waste**
Honext Material (ES)

**A New Generation of
Bio-based and Resource-
efficient Fibre**
TreeToTextile (SE)

**CELLULOSE FIBRES
CONFERENCE**
2025 12-13 March
Cologne (Germany)

Cellulose Fibre Innovation of the Year 2025

- For the fifth time, nova-Institute awards the “Cellulose Fibre Innovation of the Year”.
- Six remarkable products were nominated.
- The selection was made by a jury consisting of the conference’s advisory board and experts from the nova-Institute.
- The audience will elect the three winners.

Conference Advisory Board

Rahul Bansal
Birla Cellulose (IN)

Marina Crnoja-Cosic
The European Technology
Platform for the Future of
Textiles and Clothing (BE)

Andreas Engelhardt
The Fiber Year (CH)

Ali Harlin
VTT (FI)

Jo-Ann Innerlohinger
Lenzing (AT)

Heli Kangas
Valmet Technologies (FI)

Alessandro Pellegrini
Bozzetto Group (IT/DE)

Antje Potthast
University of Natural Resources
and Life Sciences (AT)

Roland Seidl
Textilplus (CH)

Sascha Schriever
ITA – RWTH Aachen (DE)

Michael Trinkaus
Nitto Advanced Film
Solutions (DE)

Cellulose Fibre Innovation of the Year 2025

Winners of the Innovation Award

cellulose-fibres.eu

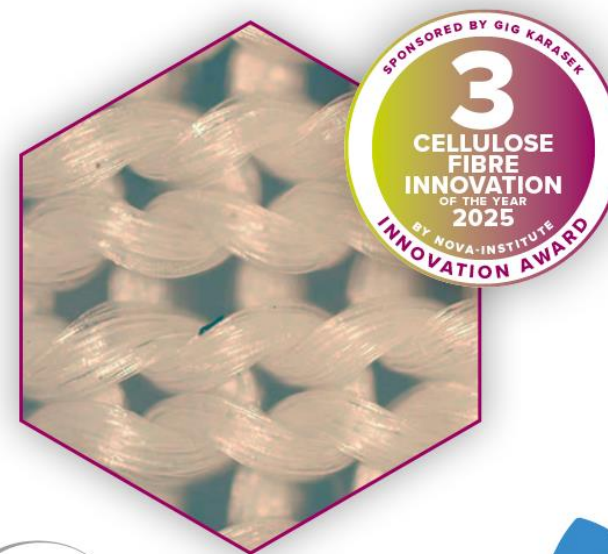

SA-Dynamics (DE)
Cellulose Aerogel Textiles
Next-Generation Insulation
Materials

Releaf Paper France (FR)
Releaf Fiber
Eco-Friendly Paper from Urban
Fallen Leaves

Uluu (AU)
**Natural, Seaweed-derived
Materials**
Replacing Plastic in Textiles
